THE GRIST

VOLUME XXXV

Published by the Senior Class of Rhode
Island State College at Kingston, R. I

1935

DEDICATION . . .

TO FRANK W. KEANEY, A MAN WHO HAS NOT ONLY BUILT UP SPORTSMANSHIP AND FAIR PLAY, BUT WHO IN HIS FIFTEEN YEARS HERE AT STATE HAS BEEN INVALUABLE AS A COUNSELOR AND FRIEND TO EVERYONE, WE DEDICATE THIS THIRTY-FIFTH VOLUME OF THE "GRIST."

FRANK W. KEANEY

FOREWORD . . .

THIS issue of the GRIST shall serve as a link in your chain of memories of Rhode Island State College.

This volume shall serve as a means of renewing acquaintances for each graduate will follow his chosen path; except for occasional instances when class reunions are held, there will be no more opportunities to mingle with one another.

The true value of this book will only become apparent when the present fresh and radiant memories we now have, will become dimmed and faded by passing time.

Let us treasure this book so that twenty years from now we may once more see sacred phases of our adolescent youth.

CLINTON H. GREENBERG

Editor

W. GEORGE PARKS

TO THE CLASS OF 1935:

YOU are graduating into a world from which the veil of insecurity has not yet been lifted. A new social and economic order is rapidly approaching to create new values for those swept away in the flood. There will be no reception committee at the Gateway of the Future to mitigate your first impressions of this generation of flux. You will have to cope with problems unknown to those who have preceded you. Laborers will be found a plenty but leaders will be few. Opportunities will be greater than ever before. You are leaving your Alma Mater having acquired friends, learning, and that indefinable thing R. I. S. C. spirit, also a sense of your responsibilities and obligations to society which will help you realize your hopes for the future. Have faith in yourself and your ideals. You alone can preserve them.

I congratulate you on the success of your college career. May you always find or make the opportunity to do fine deeds.

"Ave atque vale"

THE CORPORATION OF RHODE ISLAND STATE COLLEGE

JAMES F. ROCKETT, *Director of Education*

FOOTNOTE:—"Under the proposed reorganization plan, which as yet has not passed the legislature, a board of regents will be appointed to take the place of the old board of managers. Until that time comes, the Director of Education is, and has been since his appointment, technically and legally the only one in whose hands the authority of the previous board of managers exists."

RAYMOND G. BRESSLER

EACH year the opportunity given to the President of Rhode Island State College by the Editor of the *GRIST* to say a final word to the Senior Class becomes a serious challenge. My message this time is best couched in the words of the immortal Tennyson:

"Yet I doubt not thro' the ages one increasing purpose runs,
And the thoughts of men are widen'd with the process of the suns."

This conviction in the inevitability of the growth of human nature is the conviction that you must maintain if you hope to accomplish the best in life. It is easy for one to be pessimistic. Particularly is this true of individuals of your age who have had incessantly drummed into your ears during the past three years that you were inheriting a pretty bad world, that the present generation has made a mess of it, and that on you rests the burden of lifting the world from its doldrums.

It is my feeling that you are inheriting nothing much worse than my generation inherited twenty-five years ago. It has been the way of age from time everlasting to tell youth that the present is rather bad and that only the young can improve it. Consider the attitude of the old woman and take heart: "The old today were the young yesterday. The young today will be the old tomorrow. Let us Pray!"

You are blessed with untold material benefits. You have conveniences that kings and Croesuses never dreamed of. And, best of all, you have all of these at prices available to the man of meager income. So keep your head high. If you don't get what you like, turn around and like what you get!

My dear Mr. Greenberg:

Thank you very much for the honor you bestowed in choosing me to judge the beauty contest for "THE GRIST."

Please remember that the selection was the opinion of only one man and therefore the losers should certainly not feel slighted because the results might have been quite different had anyone else been making the selection. Also a contest of this sort is particularly difficult to judge from portraits.

It was a great pleasure to act as judge in this contest and please offer my hearty congratulations to the winner, Miss Mary Quirk, and my sincere condolences to the losers.

With best wishes to "THE GRIST" and Rhode Island State College, I am

Cordially,

FREDERIC MARCH

SUMMARY OF FOOTBALL SEASON 1934-35

After ten days of preliminary training under the guidance of Coach Keaney and his assistants, Beck, Tootell, and DeRita, Rhody opened its season on September 22 with a victory over Brooklyn College. Rhode Island displayed smart football in this game, and promises of a great season loomed ahead. Running their tackles and ends, and throwing passes with great accuracy, State easily defeated its opponents by the score of 31-0. It would be difficult to pick any individual star, but Bob Mudge must be given credit for a very creditable showing. Glickman, triple-threat fullback of Brooklyn, showed up well for the losers.

With one victory to their credit, Rhody traveled to Orono, Maine, and succeeded for the second consecutive year to beat the University of Maine on sensational plays. With but a few minutes to play, Mullins and Reardon, two substitutes, staged a show, and completed a forty-five yard pass to give Rhody a 6-0 victory. The year before "Johnnie" Mantenuito intercepted a pass on his own goal line and ran one hundred yards to give the team a victory.

"On to Brown" was the next cry of the State students. With hopes running high of defeating Brown for the first time, Rhody marched onward to Providence, but Dame Fortune smiled on the Brunonian Cub, and it clipped the wool of the Ram to a 13-0 score. There was little to choose between the two teams, Brown getting the better of the breaks. The outstanding play of the game was Mudge's run of seventy yards in the third quarter.

Rhody met its second defeat at the hands of Northeastern on the following Saturday. Rhody appeared over confident in this game, and the let-down after the Brown game proved disastrous to State. Northeastern scored a surprising victory of 6-0 over State. Credit must be given to Northeastern for its fine spirit, and manner, in which it won.

State came back into the winning column, and on four consecutive Saturdays took the measure of Worcester Tech, Coast Guard Academy, Massachusetts State, and our ancient rivals, Connecticut State. Rhody was outweighed by each of these teams, but by smart football coaching and playing it easily conquered its opponents.

Rhody closed its season on November 17 with a 21-7 defeat at the hands of Providence College. This game patched athletic relationship between the two colleges after a thirteen year lapse. Providence College with an impressive record proved too strong for State. Rhody was outweighed greatly, but its defensive stands during the game were the outstanding feature.

PROVIDENCE COLLEGE, 21

RHODE ISLAND STATE, 7

This year saw Rhode Island State and Providence College patch up an eleven year break in their athletic relationship. At the Brown Stadium a hard fighting and outweighed Rhody eleven went down in defeat at the hands of their powerful rivals in the final game of the season. The score was 21-7 and the game marked the first official athletic contest between the two colleges since their break in 1923.

The first Friar's score resulted when they capitalized on a State fumble on the Ram's 40 yard line and with Vitullio, a 210 pound back, doing most of the ball carrying, went over for a score in the first period.

The second score came in the next period when Borboras, a guard, intercepted a pass and ran 33 yards for a score. Providence College's final score came in the last period when Soar scored after a 52 yard advance. Bellivian kicked all three points.

States score came in the third quarter when Jimmy Wright tossed Johnny Messina a 30 yard pass after the team had already advanced 40 yards on five plays. "Bud" Fisher scored from scrimmage for the extra point.

An outstanding feature of the game was Rhody's continued bull dog defense against a heavier and powerful Providence line that threatened to score on several occasions.

RHODE ISLAND, 31—BROOKLYN, 0

Rhode Island State opened its football season on September 22 by completely outplaying its opponents, Brooklyn College, to the score of 31-0. "Bobby" Mudge was the outstanding player of the encounter. Starting as fullback in his first varsity game, he reeled off 27 yards on one play to start Rhody on its way to its first touchdown in the first quarter. "Bud" Fisher later went over for the touchdown on a delayed buck. He returned in the second period to blaze out a fifty-three yard run from scrimmage, on the play following a punt, for the third tally of the game.

Close behind Mudge in effectiveness during the battle were "Bill" Dolan, "Bud" Fisher, "Johnny" Messina and "Johnny" Mantenuto, with Dolan and Fisher proving particularly effective. Fisher did a fine job of hammering out the needed yardage in plunges in the first two quarters, and Dolan was a flashy running threat for three periods.

Fisher, New England's highest scorer last fall, scored twice, Mudge once, Schwartz once on a twenty-one yard pass from "Sparky" Reardon, and Reardon once on a reversed fumble over the goal line. The extra point was tallied in the second period on a pass from DiOrto to Dolan.

Captain Glickman was easily the outstanding player for Brooklyn. He was a tower of strength all afternoon, playing a great defensive game and carrying almost the entire brunt of the offensive.

RHODE ISLAND, 6—MAINE, 0

Rhody scored its second victory of the season, and duplicated last year's performance on a rain-soaked field when it snatched a 6-0 victory over the University of Maine team in the closing minutes of the game. A spectacular pass from Reardon to Mullins, both substitutes, gave Rhode Island its victory. This performance duplicated "Johnnie" Mantenuto's the year before, when he intercepted a pass on his own goal line and ran one hundred yards to give his team a victory.

Reardon went in for Mantenuto at right halfback for Rhode Island, and Mullins replaced Mudge with but a few minutes left to play in the final quarter. One or two ineffectual line plays followed, and then with time growing short, Reardon faded back and despite the wet and condition of the ball, rifled a fifteen yard pass to Mullins. Mullins caught it cleanly and raced thirty yards for the only score of the game.

Maine threatened to score on several occasions, first in the second quarter when Littlehale, who had been playing a fine game, brought the ball to the fifteen yard line, but Rhode Island gave only two yards on the next four plays and took the ball on downs. Maine kept the ball in Rhode Island territory most of the time, piling up ten first downs to the Rams' two, but a sturdy and desperate Rhode Island defence proved too strong.

BROWN, 13—STATE, 0

Every year Rhody goes to Providence hoping that its long standing jinx will be a thing of the past and that its gridiron men will return with their first "Bear Skin."

This year a heavily outweighed band of Rams were beaten 13-0. Anyone attending the game would have certainly come away with the impression that Brown was not two touchdowns better than Rhode Island. State completely outplayed their traditional rivals throughout a major portion of the game and it is safe to say that only superior man power was the deciding factor.

The Bruins had a stalwart leader in Captain Bill Karaban. It was his defensive play coupled with his offensive thrusts that enabled Brown to eke out a victory. One of the feature plays of the game was Karaban's tackle of Bobbie Mudge after the latter had eluded the entire Brown team and seemed headed for a certain score.

For Rhode Island the defensive play of Mantenuto, together with his ability to sweep the ends, and Bobbie Mudge's 65 yard run were instrumental in arousing Rhode Island enthusiasm. Another feature from the Rhody point of view was the run back of punts by Johnny ("Stealthy Steve") Messina. Several times Johnny threatened to break away as he side stepped and straight armed his way along the sidelines.

In the line, the play of Java Moss, who incidentally donated three teeth to the Rhode Island cause, and Joe Prybyla were outstanding.

We are looking forward to 1935 in hopes that the Ram will take the boys who "love their College dear" in no uncertain term.

NORTHEASTERN, 6—RHODE ISLAND, 0

After its splendid showing against Brown University the previous Saturday the Huskies of Northeastern scored a surprising 6-0 victory over Rhode Island. The lone score came as a result of a recovered block punt on State's thirty-five yard line which was recovered ten yards from the goal line.

Clyusz, the right tackle of Northeastern, was mainly responsible for the score. Breaking through to block "Bobby" Mudge's punt on State's thirty-five yard line, he continued his rush towards the Ram goal line to recover the ball on the ten yard line stripe. On its first two efforts, Northeastern gained two yards; then the Huskies resorted to aerial, and after two foiled attempts, Marberry tossed Pelletier a flat pass, which he nabbed just as he covered the goal line. Hart's try for the extra point was wide.

The Rams' best march came early in the third period when they went as far as the twenty-two yard line. Here Northeastern ended the advance by recovering a State fumble.

The Rams outgained their opponents in the number of first downs and yards gained from scrimmage but they committed errors at inopportune moments to nullify the advantage. Rhode Island reeled off nine first downs to the Huskies eight, and made one hundred forty-five yards to their opponents' one hundred thirty-one.

RHODE ISLAND, 7—MASSACHUSETTS STATE, 0

An uninterrupted thirty-six yard march early in the fourth period in which Rhody reeled off seven consecutive first downs with "Bud" Fisher taking the ball fourteen of the twenty-one times, and eventually going over for the touchdown enabled the Rams to defeat Massachusetts State 7-0 at Amherst.

Until the fourth period, Massachusetts State had the better of the play, and several times in the first two periods they went down the field within scoring position only to be held off by the stellar defense of the entire State team. Massachusetts State twice lost the ball on downs and once on four successive forward passes.

It was not until the fourth quarter that the Rhody team clicked in machine like fashion and marched to its winning score. Mantenuto started this drive in registering a first down and with Mantenuto and Fisher covering the ball, they came within the six-inch line where Fisher finally smashed through center for the score. "Junior" Keaney was substituted and made the extra point.

With but few minutes remaining, Massachusetts resorted to the air in an effort to score, but this was in vain. "Johnny" Messina intercepted a pass to run the ball back twenty-seven yards to Massachusetts' thirty-third yard line and the game ended.

The entire team must be given credit for their defensive and offensive work, especially the two ends, "Mel" Entin and "Charlie" Trumpetto, who threw the opponents backs for many a loss.

RHODE ISLAND, 19—COAST GUARD, 0

Rhode Island capitalized every opportunity that came its way to triumph over the United States Coast Guard Academy eleven 19-0.

After recovering two Cadet fumbles to score the first two touchdowns, the Rams recovered surprising power and finished the closing period with a fifty-two yard march for the closing score of the day. "Bud" Fisher scored the first two touchdowns and Mantenuto the last and final one. "Bud" Fisher scored the extra point on a plunge through center.

The first score came early in the second quarter when "Mel" Entin pounced upon a Coast Guard fumble to give State the ball on their opponents' sixteen yard line. Dolan advanced the ball to the ten yard stripe, and Fisher made gains on the other four occasions to score the first touchdowns.

The second score likewise was tallied indirectly from a recovered fumble, since the Rams made an uninterrupted forty-five yard march, after Frank Prusaczyk had fallen on the ball. Fisher was sent in and plunged through the Academy line for the second score.

Rabidoux, Messina, Mantenuto and Wright all contributed to the scoring of the last score. After "Johnnie" Mantenuto ran a punt back to the midfield, the State backfield resorted to end sweeps, laterals and forwards which baffled the Cadets and Mantenuto scored on a pass from Messina.

RHODE ISLAND, 44—WORCESTER TECH, 0

Playing before a Home-Coming Day crowd of 1,500, a smooth-running Rhode Island State team scored a convincing 44-0 victory over Worcester Tech. Eleven seniors played their last home game for State. "Bill" Dolan, "Bud" Fisher, "Joe" Prybyla, Frank Prusaczyk, "Java" Moss, "Johnnie" Duksta, Paul Solitto, "Ray" Rabidoux, "Moon" Mullins, "Maxie" Baldwin and "Del" Thayer.

With "Bill" Dolan running Worcester's left end ragged with runs of fourteen, seventeen and twenty yards to score on each of these plays, "Ray" Rabidoux was slashing through tackle for long gains and "Bud" Fisher, "Johnny" Messina, "Jimmy" Wright, "Johnnie" Mantenuto and Fred McCarthy were doing their bit. State played exceptional football and showed an attack that completely bewildered their opponents.

Other scores came when "Joe" Rotenberg broke through to block a pass and "Mel" Entin caught the ball and raced thirty-four yards for a score, "Lin" Gould intercepting a pass and running thirty-eight yards for the fifth touchdown, and McCarthy tossing a twenty-eight yard pass to Kogut as the latter scored. The last touchdown was made on a fifty-four yard march. Gould, Fred McCarthy and Messina took turns in carrying the ball to the eighteen yard line, and a forward, Messina to McCarthy, finally brought the score up to 44-0.

RHODE ISLAND, 18—CONNECTICUT, 0

By defeating Connecticut State 18-0, Rhody won its first victory at Storrs in twelve years. State played an invincible brand of ball. Bobbie Mudge started the fireworks on the opening play when he took the kickoff, and with good interference ran seventy-nine yards to the eleven yard stripe. Bud Fisher ripped off five yards through center, then two more, then three for a first down, and finally leaped over a mass of linemen for the first score. The try for the extra point was wide. All this took place in less than two minutes after the whistle blew starting the game. Johnny Messina almost repeated Mudge's performance when he took the second putoff, and ran it back to his own thirty-seven yard line before he was down. Rhody failed to advance, and after an exchange of punts, Messina put State in scoring position when he ran back Poland's punt to the twenty-first yard line. Messina passed to Mantenuto for a first down, and then Dolan ran the remaining eleven yards for the second touchdown. Fisher rushed the ball for the extra point, but it failed.

Rhody scored its last touchdown in the fourth quarter, just before the whistle blew to end the year. Robertshaw intercepted a pass on the Connecticut State twenty yard line. After a few plays, Messina threw a pass to Trumpetto for the final score.

State scored eight first downs to Connecticut's seven, but gained one hundred fifty-six yards to Connecticut's thirty-nine.

VARSITY BASKETBALL SEASON

Twelve victories and six defeats is the record which the 1934-35 Rhode Island State Basketball team established, although greatly hampered by injuries to their star, John Francis Martin, during the most important games. Rhode Island scored 867 points to their opponent's 706, and made an average of 48.2 points a game.

Rhody opened its season on December 12 against Arnold College and chalked up their highest total of points in this contest when they scored 67 to Arnold's 34. J. F. Martin scored 15 points, while Johnny Messina, Sophomore forward, scored 19.

The Rams maintained their high scoring in the Crimson Indies game and completely outplayed their opponents. The score was 63 to 18. State ran up a score of 19-0 before the visitors scored.

Playing before a crowd of 1,200, State defeated Holy Cross 51-34. J. F. Martin led the State attack.

A field goal by J. F. Martin in a minute from the end climaxed the game between Northeastern and Rhode Island. The game was filled with thrills through the entire forty minutes and leads were exchanged several times throughout the contest.

State met its first defeat at the hands of Brown. This was the first time the Bears had beaten the Rams in eight years. Three field goals in the closing minutes gave Brown a 55-49 victory.

The Engineers of Worcester Tech proved easy opponents for State, and the Keaney-men lived up to their point-a-minute reputation by scoring 48 points, Worcester Tech 22. J. F. Martin led the attack with 16 points.

Rhody handed Holy Cross their second defeat at Worcester. The score was 35-26. Timely shots by Captain Speckman in the closing minutes put the game on ice for the Rams. 2,500 people watched Providence College hand the Rams their second defeat of the season at the Auditorium. This was probably the largest crowd ever to witness a basketball game in the State. The score was 53-27.

In a rough game, New Hampshire scored a 52-44 victory over State. State had control of the game until the last ten minutes when New Hampshire put on a scoring spree that gave them victory.

On February 20, Rhody met its fourth defeat of the season at the hands of Tufts at Medford. The score: Tufts 49—State 44. J. F. Martin thrilled the crowd with sensational one-hand shots, scoring 16 points in all.

Rhody defeated Northeastern for the second time in a rough game at Boston. Northeastern was in the lead but once in the entire game and that was within the first five minutes. The scoring was much lower than in the previous games, the result being 33-21.

Getting away with a slow start, the Rams finally overcame the Upsala's lead of 19-0 to score a 55 to 48 victory. "Happy" Applin was high scorer with 12 points, and Messina and Speckman put 11 points to their credit.

Providence College again took the measure of State in a game which provided interest and thrills to the last minute. State was greatly hampered by the loss of J. F. Martin, who was high scorer, before the first half ended. The game was exciting all the way through, Providence College finally winning 47-43.

The last game of the season with Brown proved to be the most exciting. With the score 50-50 and seconds left to play, Brown scored twice to give Rhody its sixth defeat of the season and end its basketball season.

Varsity Cross Country

Rhode Island's Varsity cross country team continued to hold its dominant position in New England harrier circles by winning all of its dual meets, placing second in the New England Intercollegiates, and tenth in the Intercollegiate Association of Amateur Athletes of America meet in New York.

Beginning what seemed to be a doubtful season because of the loss of such stars as Captain-elect "Ray" Kelly, "Art" Hanley and "Ev" Morris, Coach Fred Tootell moulded a winning team around Co-captain "Ed" Cotter, Childs and Fairchild, who ran with the Varsity last year, Pfefferle and Andrews of last season's Frosh squad.

The summary:

RHODE ISLAND STATE FRESHMEN

In contrast to the numerous number of candidates reporting for Freshman football in the past few years, only fifty odd, a majority of them playing football for the first time, responded to the call of Coach Tootell. Handicapped by injuries all season, and by a lack of capable reserves, the Freshmen failed to win any of their games, but the spirit and fight that they showed against their heavier opponents speaks more impressively than the record.

On October 20, the Freshmen faced Springfield Freshmen in their opening games, and outweighed by a heavier and more experienced team, they went down in defeat 6-0.

The State Yearlings met its second defeat at the hands of the Brown Cubs 14-0. The two teams were well matched, and only a forty-six yard run by Bernstein of Brown in the second period for a score, marked the difference between the two teams in the first half. The Ramlets outclassed their opponents in the third period. The Brown team marched fifty-six yards in the last period for the second touchdown when Bernstein again scored.

The following week the Freshmen travelled to Boston to play Boston University Frosh and were defeated 19-0. Two passes and a spectacular fifty-yard run from scrimmage provided the three touchdowns.

Connecticut's undefeated and unscored on Freshman team proved too much for the Ramlets, and as a result they were defeated 19-0. Fumbles and penalties by the Rhody Freshmen greatly handicapped their offense at opportune moments.

In the last game of the season, the Freshmen scored their only touchdown, but were defeated 18-6 by the Dominican Yearlings. The Providence College Freshmen had too much weight and experience for the State Freshmen. Poliner of State scored when he intercepted a short lateral and outdistanced an opponent halfback for a score.

FRESHMAN BASKETBALL

Playing a basketball schedule of 14 games, the Rhode Island Freshmen attained the record of 9 victories and 5 losses. The Freshmen, not to be outdone by the varsity, also averaged more than a point a minute. The Freshmen despite their 5 losses are promising material and Coach Keaney will look forward to them in keeping up the enviable record that Rhody has compiled on the basketball court.

The Freshmen opened the season with the Rhode Island College of Education and completely outplayed their opponents in every department of the game, winning by the score of 51-24. Each member of the Freshman squad contributed to the scoring, but the playing of Tashjian and Masterson stood out, and they scored 10 and 7 points respectively.

Little trouble was had with their next three opponents which comprised Northeastern Freshmen, Brown Freshmen and Durfee Bradford Textile, and the Frosh piled up 166 points to their opponents 86. Fabricant, Tashjian, Masterson, Wightman and Partington contributed heavily to the score.

The Freshmen met its defeat at the hands of Bryant and Stratton, 41-34. Their opponents played a five man defense, which bothered them somewhat. Uike of the visitors proved a valuable man, and scored 24 points.

Other defeats were at the hands of Tufts Frosh, twice by Providence College Freshmen, and again by Bryant and Stratton. In each of these contests, the Freshmen played creditable ball, but lack of height proved too great a handicap to overcome.

Wins over Collegiate Prep twice, Connecticut State twice, Brown twice, completed their schedule.

Substitutes that played a great part in the Frosh victories were Pinoski, Campbell, Hazard, Solomon, Stone, Ryan and Lubina.

FRESHMAN CROSS COUNTRY

The Frosh cross country team remained undefeated in dual meet competition and showed surprising strength in placing fourth in the National Intercollegiates at New York. Although the State runners only placed fifth in the Harvard Intercollegiates, they blazed a bright trail in the New England Championships, placing a close second to New Hampshire.

The diminutive "Alex" Brown of Westerly, aided by a well-balanced squad of Richardson, Broom, Livingstone and Eckhart led the Ramlets to their decisive victories over Massachusetts Institute of Technology, Connecticut, and Westerly. Brown and Livingstone finished second and third respectively in the New Englands and placed well in the Intercollegiate Association of Amateur Athletes of America meet.

CO-ED ATHLETICS

MISS HELEN BOARDMAN

MRS. JOSEPHINE LEERS RUSSELL

Since the women's sports program has been developing and since more varsity games have been scheduled in hockey and basketball than in preceding years, the Women's Athletic Association decided to award R. I. sweaters on practically the same basis as the men's department. In brief, the women must play two years on a first string hockey or basketball team (the first team to be selected by the coaches from the members of the squad) to be eligible for the R. I. sweater. The other sports—track, baseball, tennis, etc.—will have specific awards which, together with hockey and basketball, may lead to the earning of a cup—the highest and most difficult award to attain. Numerals will be presented for three years' participation on class teams.

Intra-mural and inter-class hockey, basketball, and baseball tournaments were scheduled; a competitive gymnasium demonstration was carried out; and successful class work in tap and clog dancing was performed.

ADVANCED ARMY

Students in the Advanced Army courses are those who continue their military training beyond the compulsory first two years. They are student cadet officers in the College R. O. T. C. Unit in their Junior and Senior years, and attend Camp Devens for six weeks during the summer of their Junior year. Upon graduation they receive appointments of Second Lieutenants in the R. O. C. This group sponsors the annual Military Ball, at which an honorary Co-ed Major is presented.

ACKNOWLEDGMENT

The 1935 *Grist* Board tenders its grateful appreciation to the following people for the ever willing assistance and most sincere advice received from them during the publication of this, the thirty-fifth volume of the *Grist*:

To the VanDale studio for the excellent pictures.

To Mr. Russell Stapleton and Mr. Arthur Kreuger of the Advertisers Engraving Co.

To Mr. E. L. Freeman of the E. L. Freeman Co.

To Mr. R. B. Hardin of the Mason Box Company.

To Mr. Sidney Silverman and Mr. Jerry Cohen of the Trajan Art Studio.

To Frederic March of Hollywood, California.

The *Grist* Board is also particularly indebted to the following individuals:

President Raymond G. Bressler

Dr. Harold W. Browning

Coach Frank W. Keaney

Mrs. Josephine Lees Russell

Mr. William G. Mokray
